# What is Christian Nationalism?

Christian Nationalism is not a religious creed but a political ideology. It promotes the myth that the American republic was founded as a Christian nation. It asserts that legitimate government rests not on the consent of the governed but on adherence to the doctrines of a specific religious, ethnic and cultural heritage. It demands that our laws be based not on the reasoned deliberation of our democratic institutions but on particular, idiosyncratic interpretations of the Bible. Its defining fear is that the nation has strayed from the truths that once made it great.

***The Power Worshipers*, Katherine Stewart, p. 3-4**

# The Christianity of Christian Nationalism?

A Christian religion without:

- The biblical Jesus
- Christ's teachings
- No beatitudes, no blessed are the poor, blessed are the peacemakers, no love your enemy, love your neighbor, no beating your swords into plowshares,
- Instead, an idolatrous patriotism that confuses American power with the kingdom of God.

2Tim. 3:16 All scripture is inspired by  
God and is useful for teaching, for  
reproof, for correction, and for  
training in righteousness,
